

# 2022 LTI Korea Translation Award for Aspiring Translators

2022 LTI Korea Translation Award for Aspiring Translators seeks to discover a new talent in Korean literary/cultural contents translation who will serve as a bridge between Korean and global literatures.

## Target languages

Literature	English, French, German, Spanish, Russian, Chinese, Japanese, Vietnamese and Arabic
Webtoon	English, French, Japanese and Spanish
Film	English, Chinese, Japanese and Vietnamese

## Eligibility

Literature	Applications are welcome from translators of all nationalities who have not yet received an official translation grant or published a translated work of Korean literature in their target language. (Applicants whose previous translations only appeared in LTI Korea Translation Academy and/or Translation Atelier collections are eligible for a literary translation category.)
Webtoon	Applications are welcome from translators of all nationalities who have not had more than one webtoon/webcomic translation published in either print or an online platform.
Film	Applications are welcome from translators of all nationalities who have not had more than one subtitle translation of a media content (films, TV dramas) released in theatres, film festivals, or through OTT services such as Netflix, Watcha, YouTube Originals, etc.

※ Co-translations are not accepted  
※ Multiple applications are not allowed, and will be disqualified immediately. You can only apply for one language in one of the genres.
